About the Wine:

A sweet, light-bodied wine, our Bella Sera Moscato envelops the nose with aromas of juicy nectarine and peach, followed by sweet and refreshing flavors of ripe peach and apricot. Its delicious marriage of fruit and crispness make this Moscato an ideal partner for spicy dishes and fruit-based desserts.

Viticulture Notes:

In 2013, California experienced a mild winter, followed by a warm spring that resulted in an early budbreak and harvest. Moderate summer and fall temperatures led to a smooth harvest and yielded very fine fruit.

Winemaking Notes:

The grapes for our Moscato were crushed and pressed. The resulting juice was then clarified before fermentation in stainless steel tanks at a maximum temperature of 60°F. Following fermentation, the wine was immediately racked to preserve the fresh fruit flavors from the grapes. This wine received no oak contact, allowing for a full varietal expression of the Moscato grape.
